

# Who doesn't want to get more for their money?

Your investment amount for any of Tim Wright's **Culture to Engage** retreats ([view](#)) provides your company:

- A one- or two-day retreat, complete with all aspects of the **Culture to Engage** content agreed to.
- Professionally produced documentation and reference materials to insure transfer of retreat information to business applications.
- Up to 4 30-minute telephone **coaching sessions** for retreat attendees (individual or group/team). This coaching focuses on employee engagement and the attendee's desired application (leadership, management, team building, employee engagement...)
- Free subscription to Tim's **Culture to Engage newsletter**.
- 45-minute **teleconference or webinar** on relevant applications of employee engagement for any of your company groups within 6 months after your retreat. (Depending upon number of attendees, a slight additional conference bridge charge may be imposed)

**Investment** ..... \$6,000

**It's like:**

**When you buy the larger jar of jelly, you pay less per ounce.**

**When you engage Tim for the full investment amount, it's like you get more jelly... plus the bread, the peanut butter and a paper towel thrown in!**
